

# ELP Assessments - Zoom at Noon

## Key Topics Schedule

### Overview and Format

Starting in November 2024, the OSPI ELP Assessment office hour, Zoom at Noon, will spend the first half-hour of our weekly time together exploring various key topics related to WIDA ACCESS test administration. Informal and informational, these sessions will be supported by our Data Recognition Corporation (DRC) partner, Andrew Lenn.

Attendees are encouraged to participate, ask questions, and/or share their district's strategies or processes. Ideas for additional key topics can be sent to the ELP Assessments inbox at [ELPAssessments@k12.wa.us](mailto:ELPAssessments@k12.wa.us) or shared during our office hours. The second half of our weekly time together will be an informal, open office session.

This schedule is subject to change and was updated on April 17, 2025. Please note the three dates that are moved to Tuesdays to accommodate federal holidays held on Mondays.
